Subject: UID: Regarding financial inclusion initiatives during enrolment process

Government of India is committed towards providing the comprehensive financial services to all the citizens of India. In wake of that several guidelines has been issued by GoI as well as RBI. Further to that, Unique Identification Authority of India (UIDAI) is also mandated to link the bank account details of all the residents with Aadhaar number. UIDAI has empanelled various public sector banks for this purpose.

As the enrolment process has already been initiated under your guidance across the State from 10th- 11th January 2011, you are required to initiate activities to facilitate financial inclusion for the needy during the enrolment process. Following are the initiatives to be taken at your end to ensure opening of no-frills bank account for the needy residents.

- Arrange district level meeting with Public Sector Banks operating in area under your jurisdiction
- Map the availability of branches of each bank
- Identify one bank for each village/locality depending on the availability of its branch
- Instruct respective banks to facilitate opening of no-frills accounts for the needy during the enrolment process at the enrolment centre
- Advice the bank to link the Enrolment ID of the resident to the bank account and link to the UID number to be generated later

You may contact Dr. Santosh Bhogle, Under Secretary, GAD (IT) at 9869282041 or Shri Sumnesh Joshi, Asst. Director General, UIDAI at 7738001818 for further details that may be needed.

The presentation detailing their roles and responsibilities can be downloaded from our site: <http://www.aadhaar.maharashtra.gov.in>.
