Sub : Letter ref no. RTI-1843 + 1844 / 2012 – (RTI Cell) dated 05.04.2013

Sir,

I am writing back to you after receiving the above referred letter by email today in reply to my query dated 11th March 2013 and 26th March respectively under RTI.

I would request you to scrutinize my RTI once again as I clarify that all 39 + 6 points respectively are posed to the Planning Commission since the questions are with reference to UIDAI, Aadhar & NIAI Bill in relation to the PC. In this regard I have attached both RTI applications for your immediate reference.

It may be prudent to point out at this juncture that Notification no. A-43011/02/2009-Admin.I dated 28.01.2009 published in Part-1, Section-2 of the Gazette of India was created by Dr. Subas Pani, Secretary under the aegis of Planning Commission. Herein, it states under item 5 that "Planning Commission shall be the nodal agency for UIDAI.....".

Hence it is not required to forward my RTI sent to PC, to Shri Shirish Kumar, ADG UIDAI, New Delhi as I expect a reply from PC with a **no or yes** (along with copies of supporting as requested) to each of my queries totaling 39 + 6.

Also please do take note to communicate by email : ganeez.sukhrani@gmail.com the amount and mode of payment that I must complete for you to send the required response to me. Please include the charges by speed post or registered post only.

However, if I do not receive a reply latest within 30 days of 28.03.2013 and 04.04.2013 respectively which is the date you have received my RTI, then I will assume that the Planning Commission is not aware of the Aadhar UIDAI project file in any way.

Kindly let me know the details of the first Appellate Authority in the Planning Commission.

Thank you.
Yours faithfully,

Qaneez-e-Fatemah Sukhrani
