Sub: Supply of KYR + forms required for National Population Register - र.प.ज.नि.अ.

Sir,

As you are aware that the first phase of data collection under the flagship programme of creation of National Population Register (NPR) has already been completed in Maharashtra. In the second phase of creation of NPR, the biometric details of all usual residents are to be captured along with the additional fields in the KYR + forms.

The KYR + forms required for capturing of additional fields during Biometric phase of NPR are being supplied by this Directorate through M/s Atlanta Printers at respective head quarters of Municipal Corporations and Districts. The number of KYR + forms being supplied to Municipal Corporations/ Districts is annexed in annexure 'A' & 'B' respectively. It is, therefore, requested to assess the requirements at ward / Tahsil level under your jurisdiction and distribute the KYR + forms to concerned Sub District Registrars from your end.

The detailed circular about methodology to be adopted for capture of Biometric details of eligible usual residents is being sent separately.

Yours faithfully,

(Ranjit Singh Deol)  
Director of Census Operations,  
Maharashtra, Mumbai.
