Had complained about Aadhaar agency Sri Krishna Khandsari Sugar Mills pathetic services to the DG UID in New Delhi, ADG Mr. Joshi in Regional Office Mumbai and to the District Collector, Pune, Vikas Deshmukh, several months ago. Pune Collector wakes up now, and appoints Obhel, a new agency. There is a famous urdu couplet, bahut daer kardi huzoor apne aate aate. Anyhow better late than never. But I would give credit and congratulate Mr. Joshi, Additional Director General, UID Regional Office, Mumbai for being very prompt and keeping me posted about the steps being taken by him to streamline the UID system in Pune. Please click the link below to read the report in Indian Express.
