Sub : Your letter ref no. 4/RTI/Appeal/58/2013 dated 07.06.2013

Sir,

With reference to your above mentioned reply in response to my appeal, please find attached IPO for Rs. 250/- (GPO does not have IPO of lesser denomination to reach an exact amount) being payment for 118 pages @ Rs. 2/- for the full file containing communication between the UIDAI and Election Commission.

In case this amount does not cover dispatching of the documents by speed-post, I have attached a separate IPO of Rs. 50/- which you may return to me if it is not used.

Further it may be noted :

1. If the CPIO had clearly explained and stated that the option of 118 pages comprising the full correspondence file could be sent on due payment, in case I could not come to New Delhi to choose, it would have saved a lot of time and unnecessary communication and / or first appeal
2. Further, I may be able to send someone residing in New Delhi personally to collect the documents but not to choose what documents I would require. So instead of just asking me to come to inspect the file giving 3 days prior notice, the background could have been also communicated to me by the CPIO on email or phone (both details were given on the RTI application).
3. Finally the importance and expeditious mode and / or timeline of a reply under RTI is understood by all concerned public authorities and their appointed CPIOs and Appellate Authorities. Hence the concerned officer has to use judiciousness not to leave sending RTI replies to the vagaries of the ordinary post under the Indian Postal System.

Thanking you.

Yours faithfully,

  
Qaneez-e-Fatemah Sukhrani
