Pune 411014.

Madam,

Sub: Information sought under RTI Act, 2005 –
Your application dated 14.2.2013

This has reference to your application dated 22.03.13, which was received by PIO on 02.04.13.

Point 1:

MoP&NG vide their advertisements in leading news papers shown their intention to transfer subsidy currently being given upfront to the customers, directly in their bank accounts. Central Government has also notified in the gazette of India dated 26th September 2011 and subsequently on 26th October 2012, (Published by Controller of Publications, Delhi) the amendments to LPG Supply and Distribution Order 2000 for suitable provision to link Aadhaar Number with LPG supplies. However in the envisaged process of LPG supplies made at non subsidised price and then transferring subsidy to the Bank account of customers linking their Aadhaar Numbers to LPG distributors and banks, neither separate orders are received nor required for IOC to prepare for implementing such modalities.

Point 2 :

No Government Order received by IOCL.

Point 3 :

Not applicable in view of reply to Points 1 & 2.

Point 4 :

No MoU entered with Partners/dealers etc by Indian Oil Corporation Limited.

Point 5 :

Broadly for the Operating procedure/Systems/process of integrating UIDAI Card with Direct Subsidy Transfer, the following are under consideration :

- I. All LPG cylinders for domestic purposes will be sold at non-subsidized price.
- II. Subsidy will be provided to the bank account of the customers after linking their Aadhaar number to LPG customer data base and Banks.

IndianOil

A Maharatna
Company

- III. Customers can link their Aadhaar numbers to LPG data base(seeding) for which various modes such as directly giving the copy of Aadhaar letter in a specified manner, sending it by post, entering it though website, informing the call centre etc have been devised. In certain locations in the country the seeding can also be done through SMS/IVRS facility.
- IV. Customers shall also link their Aadhaar numbers to their bank account for which modalities have been devised by banks.
- V. IOC will provide cylinder delivery data (received from the distributors) to the Sponsor bank where the subsidy amount will be available. Then, through transfer mechanism in Aadhaar payment bridge, funds will be transferred to the bank account of the consumers, given the Aadhaar numbers where deliveries have been made.

Point 6 : Pilot has not been conducted in Pune by IOC.

Relevant extracts of information pertaining to all the queries have been quoted in the reply, hence no separate attachment is provided.

The particulars of Appellate Authority appointed under the Act, is given below. The period of Appeal is within 30 days of receipt of this communication.

Shri H S Bedi
Appellate Authority & Executive Director(HR), HO
Indian Oil Corporation Ltd.(Marketing Division)
